THE REMARKABLES

2020 UPDATE

Find your Freedom

There's even more terrain to find your freedom at The Remarkables in 2020 with the installation of the new Sugar Bowl chairlift and 2.5kms of new trails.

What's New for 2020

- A new Doppelmayr D-line high-speed 6x seater chairlift has been installed replacing the old Sugar Bowl chairlift meaning guests can access terrain parks in just four minutes direct from the base building.
- A new 2.5km network of intermediate trails has been developed off the top of the new Sugar Bowl chairlift.
- 18 new Lance snow guns and 9 New TR8 fan guns installed alongside the new trails ensuring quality coverage top to bottom.
- A new-era, fuel-efficient PB600 level red winch groomer fitted with V3 Snowsat will maximise snow cover and offer a closer “shave” of terrain.
- Reconfiguration of the kitchen to better meet lunchtime demands, including more efficient recycling,
- A \$200,000 upgrade of the ski/board rental equipment fleet. •More ski racks to accommodate all those skis/ boards during the lunch influx and overnight storage.
- One brand new MAN 4WD bus to add to the fleet.

About Us & Other Key Features

About Us

The Remarkables mountain range, located in the adventure capital of the world, Queenstown New Zealand, is where you'll find your freedom.

The Remarkables is a welcoming, adventurous ski field boasting three sun-drenched, north-facing bowls, seven terrain parks, off-piste black runs and wide-open learner slopes. The iconic mountain is also home to The North Face Frontier, a Freeride World Qualifier event, and several slopestyle events and progression programs.

The Remarkables has 385 ha of skiable terrain, upper lifts rising to 1943m elevation with a 468m vertical drop, and extensive state of the art snowmaking to top up natural snow fall.

NZSki, who owns Coronet Peak, The Remarkables and Mt Hutt regularly invests in technology, snowmaking and trail development to provide guests with world class experiences. The company is also committed to Kaitiakitanga, guardianship, across all three ski areas and has a range of conservation partners and sustainability initiatives.
